Our Healthy Pet Club is a great way to cut the cost of veterinary care for your pet. We encourage you to join this Club because routine care is an important part of responsible pet ownership. It keeps your pet in the best possible health and helps them lead a happier life.

You can make great savings on the annual costs of what we call 'preventative maintenance' - all the things that are essential to keep your pet in tip-top condition.

Additionally, we will reward your loyalty with exclusive Healthy Pet Club discounts on consults, dentals, diets and neutering.

We can't emphasise enough how important it is to provide routine care and joining the Club will help you do so for an affordable fixed monthly cost. Please look through this information, and if you have any questions we'll be delighted to provide the answers.
